# ULTRA PURE

PREMIUM ICE PAINTS

## PREMIUM WHITE PAINT

POWDER BASED - 50 LB. PER BOX

Ultra Pure Premium Ice Paints were developed to meet the demands of the ever-changing ice painting craft. Ultra Pure Premium White is formulated to achieve the best uniformity on concrete and sand-based ice surfaces and provides the brightest finish compared to any competitor's products. By perfectly matching the appropriate compounds and particle sizes, Ultra Pure Ice Paints is able to create a product that mixes more efficiently, resulting in a more user friendly product.

\*Recommended 9 boxes for standard 200' x 85' rink

## PREMIUM LIQUID COLORS

LIQUID COLORS - 1 GAL. CONTAINERS

As professional ice painters ourselves, we recognized the need for a better colored paint that provides a much more uniform application, less mess, and certainly NO SETTLING! No longer is mixing colored paint a problem. All of our colored paints are constantly being mixed and packaged upon order to ensure no batch is ever a problem upon receipt. Ultra Pure Premium Color Paint comes packaged in a larger bucket to prevent spills and allows for easier mixing and carrying. The Ultra Pure Premium Color Paints are environmentally friendly and provide an easy clean up everytime. Available in all PMS colors.

# PRO PEG

ANCHOR SYSTEM

The ProPeg Anchor System is the FIRST AND ONLY portable goal peg built for gameplay and extensive training. The ProPeg is an aluminum tank that penetrates your ice surface with two adjustable spikes for deeper contact and a more secure net. This allows for better gameplay and extreme training without the hassle of a moving goal net.

**OVER 1000 SETS SOLD!**

Like traditional goal pegs, they slide right into your goal net post and penetrate your ice. Once in place, your net is ready for advance training or professional game play. ProPeg Anchors give you the portability of traditional goal pegs and the professional strength of "Marsh Pegs" without the costly repairs or fees for installation.

ProPeg Anchors are not your average goal peg. After years of testing with the most extreme applications, there's a reason professional and college teams trust ProPeg Anchors for their gameplay and training needs. Step away from the past and move into the future with ProPeg Anchors!
